

ARGENTINA

2008 DECERO MINI EDICIONES PETIT VERDOT

Finca Decero, once a bare patch of soil in the Argentine foothills of the Andes, is now our one-of-a-kind vineyard, where each vine is nurtured by hand and our winemaking is without compromise. As Decero means 'from scratch', we are fortunate to be free from constraints of tradition, and we have developed an 'amano' or 'by hand' approach that is human, sustainable and sensitive to natural differences. We try to tread lightly in an environment that we have come to know intimately, almost inch by inch. Only in this way can the unique natural attributes of the Remolinos Vineyard, and of Agrelo, shine through in our single vineyard wines, handcrafted from scratch.

2008 VINTAGE

2008 provided the idyllic vintage conditions for our Petit Verdot in particular bringing out the core qualities of Petit Verdot. The days were consistently warm but never peaking with heat, the nights notably cooler than previous years. As a result the phenolic, sugar and flavor ripeness evolved in perfect unison to the delight of our viticulturist. This will likely be a wine which will age spectacularly due to the structural tannins and depth of the wine as well as fine acidity, whilst the wild blueberry fruit flavors and jasmine aromas typical of Petit Verdot are in abundance.

REMOLINOS VINEYARD, AGRELO

Located at 3500 feet, in the renowned Mendoza appellation of Agrelo, our one-of-a-kind Remolinos Vineyard takes its name from 'remolinos' – whirlwinds which keep the grapes dry and in perfect condition before being handpicked each vintage.
