

THE OWL & THE DUST DEVIL

The Owl & The Dust Devil has been highly acclaimed since its inception. From Finca Decero, a single vineyard estate in Mendoza making world-class, sustainably farmed, vegan wines, these three single vineyard wines have garnered international acclaim for both the calibre of the wines and the 'ground-breaking' animation film in augmented reality technology (with standout consumer appeal) for which it was awarded the Trophy for most Creative Packaging by Drinks International in 2019.

2018 The Owl & The Dust Devil Malbec

"This evocatively named single vineyard Malbec comes from sandy clay soils in Alto Agrelo and is always one of the more approachable wines in the bodega's range. Perfumed, elegant and well-balanced, it has 20% new wood, violet, black fig and red berry flavours and fine, palate-caressing tannins. 2022-26. 92 Points." - *Tim Atkin MW*

"Plums, flowers and hints of vanilla bean on the nose. It's medium-bodied with medium firm tannins and a juicy finish. Vegan. 90 Points" - *James Suckling*

"All sourced from the Remolinos Vineyard that surrounds the winery, this is another impressive red produced from Cabernet Sauvignon with 5% Tannat. Leafy, fine and sensitively wooded, with some sweet cinnamon spice, good texture and acidity and a core of cassis and blueberry fruit. 2022-28. 92 Points."

2017 The Owl & The Dust Devil Icon Blend

"Engagingly named - who is the dust devil you wonder? - this is a very stylish cuvée of Malbec with the remaining 50% divided between Cabernet Sauvignon, Petit Verdot, Tannat and Cabernet Franc. Deeply coloured and concentrated, yet fresh and smooth, this is a seamless assemblage with fine tannins and blackcurrant, vanilla and orange zest flavours. 92 Points" - *Tim Atkin MW*
